Abstract Submission Guidelines

Educational Lectures - these are 30 minutes presentations covering topics which fit within selected categories. Although the scope of a presentation may vary from overview, information, analysis, or leadership, the time constraint provides a natural scope limit. The Associations will be seeking Continuing Education Credits from the relevant International and National organizations.

Poster Showcase – these are proposals in which the visual format is the primary method of conveying information. This category can be aimed at any level of coverage, from overview to leadership and may encompass any topic relevant to the HIM and Radiography professions.

Abstract Check List

- ✓ Enter your proposal text in the following fields:
 - ✓ Objectives
 - ✓ Session Outline
 - ✓ Presentation Content Paragraph
- ✓ The total text (not including the headers) should be 750-1000 words.

Please send your submissions to the following address:

Email: barbhima@gmail.com
